CLUBROOM REPORT

As always, I would like to thank all Members and Guest for their continued support of our Club Room During first quarter of 2017. Your support makes a HUGH difference in allowing AL Post 67 being able to provide for our Veterans and Community. Like every year at the beginning of Spring and Summer, we have seen a decline in activity. This seems to be to normal trend each year.

During May, at the regular monthly Legion meeting, it was decided since we have seen a decline in membership and guest activity it was decided to change the Clubroom hours to the following:

Monday - Thursday 16:00 - 22:00
Friday - Saturday 13:00 - Midnight
Sunday - 16:00 - 20:00

As a reminder, let's not forget about our Queen of Hearts drawing on Thursday's at 20:00, Friday's food at 17:30 and Bingo starting at 19:00. We are always looking and welcome any volunteer to prepare a meal on Friday's prior to Bingo, just add your name to the calendar available in the hallway going into the kitchen. During the summer months, dinner will only be provided every other week. Let's try to increase the number of participates for Bingo by existing members bringing a guest. Just remember to sign your guest in the guest book available at the front of the Club Room.

As always, I want to give a special thanks to all of our existing bartenders for their dedication and support.

All suggestions or improvements are always welcome to the Club Room, just let us know.

All upcoming events will be posted in the Newsletter and on our website, www.americanlegionky67.com.
Again, thanks to all who continue to support our Post.

Comrades,

Hello, I am Lonnie Estes. I haven't had the pleasure of meeting some of you yet, but I look forward to serving as your Commander of Post 67 for the next year. For those of you who may not know me, I grew up in Versailles and graduated from Woodford County High School. I joined the Army after graduation and served at Fort Knox, KY, Fort Leonardwood, MO, and joined the 603rd Rapid Deployment Unit at Fort Polk, LA.

I am very proud to have been elected to serve the American Legion and our Veterans, Active Duty, Community, and Legion members. Thank you for the opportunity. For the next year, we'll focus on Post 67 activities that specifically benefit Veterans; building an active community of longtime and new members; and volunteering in ways that support our community and show citizens who we are and our purpose. We have a long history of great work led by past Commanders and officers. I look forward to working with this year's dedicated group of officers to build on our foundation. Let me encourage you to come out and be a part of it. You also serve an important role in how we support Veterans and Veterans issues. We're already busy planning Fourth of July celebrations. An hour or two of your time goes a long way (and you know, we like to have fun in whatever we do). Come to the next meeting and find out more, connect with fellow members, and most of all enjoy your Post.

Again, thank you for the opportunity to serve.

For God and Country,
Lonnie Estes, Commander

SAL NOTES

Hello, all SAL Post 67 Members and followers! Shew! The past couple months have been busy, but extremely productive time for our SAL team. We completed our annual SAL Golf Scramble Fundraiser on June 3rd, and once again it was a major success. First of all, I would like to send a HUGE thank you to the Ladies Auxiliary who helped all day during our event, and whom without we couldn't have near the turnout we always do. Also, thanks to all the other many volunteers, veterans and players who helped make that day so successful yet again. All of the money we raise goes back into the community and our Legion post, so it's the most important financial day of the year for us.

Moving forward, we don't have any major events scheduled at this time. We have decided, along with the Ladies Auxiliary, to reduce our cooking on Bingo nights down to twice a month instead of weekly, just through the summer time. Please contact the Legion, the website or check our Facebook to see cooking details for each week.

AUXILIARY REPORT

Well, Ladies, I think summer has arrived with 90 degree temperatures out there. Remember sunscreen and water, let's keep hydrated. Now, with that being said, I would like to tell you what is coming up for the next few months for our quarterly newsletter. July 4th is our next event, the Ladies Auxiliary will sell tacos outside, plus, have I had asked all of you that can be there to participate in the parade that morning? The lineup is at 9:30 and the parade begins at 11am. Festivities downtown will start at 12 and end at 4. If you can volunteer any of your time, it would be very much appreciated. July 23rd, we will go to Daisy Hill at 4:30 and have an ice cream social which will be their dessert after dinner. This is on a Sunday. Any ladies that can participate, your help would be greatly appreciated. We will only be there maybe an hour and a half. It's a good way for us to get out into the community and do things for other people and there are also veterans out there. August 26th, will be the Twilight Festival. I would like for us to sell hamburgers and hotdogs with the Sal. Time is from 3pm to 9pm. Please come out and help if you can. I realize in August there will be a lot of people on vacation, so I hope that I can get the participation of those Sal and Auxiliary that will be in town to help make this successful. We have also talked about raffling off a basket. The basket will contain things from Weisenberger Mill. A dollar a ticket. In the next 3 months, we also talked about having a karaoke night. I have not talked to the entertainment committee to see when this might be possible, but when we have more information on it we will post flyers around the post so that we can get people in there. My understanding is September 23rd will be our Fall Festival. The times for that is 10am to 6pm. There will be a band from 5 to 8. Anyone in the Auxiliary that makes anything or sells anything is more than welcome to come down and do so. I don't know yet if we will be selling any kind of food. We will discuss that at our next meeting. If you have never attended a Fall Festival here in our town, it's usually a lot of crafts & food. If you did not attend the last meeting of the Sal or the Auxiliary, we have decided to cook every other Friday through September. With that being said, that means only 3 people need to sign up to cook. Anyone who can, please come and see me. If I have left something out please let me know. I would like to thank the Sal for their generous donation to us from the golf scramble. Kudos goes out to you. Dues will be due again starting July for the upcoming year, let's try to get them in early for 100% this coming year. We are also in discussion of having something in the fall for First Responders which is still in the making once we know more we'll let you know. Again, as your President, I would like to thank each and every one of you in the Ladies Auxiliary who helped any way you could. It does not go unnoticed. Have a great summer.
