Club Room News

As always, I would like to thank all Members and Guest for your continued support of our Club Room. Your support makes a BIG difference in allowing American Legion Post 67 to be able to provide for our Veterans and Community.

Our current hours of operation are as follows:

Monday – Thursday 16:00 – 22:00

Friday 16:00 – Midnight

Saturday 13:00 – Midnight

Sunday 13:00 – 20:00

As always, I want to give a special thanks to all of our existing bartenders for their dedication and support.

As a reminder let's not forget about our Queen of Hearts drawing every Thursday at 20:00, Friday's serving food starting at 17:30 and Bingo starting at 19:00. You can see all other planned activities on the American Legion 67 Facebook page. We are also working on bringing up a web site to access that will contain this type of information. I have spoken with members of the Entertainment Committee and sounds like some upcoming exciting activities are being planned.

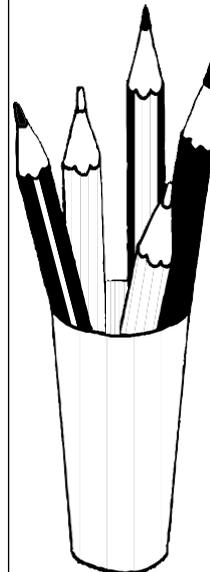

Recently the Legion made a change to their bylaws allowing each member to bring in up to 10 guests with them, so let's take advantage of this increasing participates during Bingo and all other planned activities. Just remember to sign your guest in the guest book available at the front of the Club Room.

All suggestions or improvements you may have are always welcome to the Club Room, just let us know.

Thanks again to everyone for your continuing support of our Post.

A BIG thank you to ALL of the participants and volunteers who made the golf scramble a success once again!!!

THE AMERICAN LEGION

From the Commander,

Greetings Legionnaires, Ladies and Sons of the American Legion,

With post elections concluded and all the new and returning officers settling into their positions, I want to focus on the hard-working individuals who volunteer their time and talents in keeping the American Legion relevant and a model for what a 501(c) charity should be. For those individuals who signed up to lead the post—whether it be Legionnaires, Ladies or Sons—your dedication and caring is what enables us to engage the community and provide assistance to our Veterans. I thank you.

As we continue to celebrate the American Legion's 100th anniversary and 100 years for our beloved post as well, I want to acknowledge the many dedicated individuals who have provided critical leadership through our 100 years to make this post what is today. I believe that with continued hard work, we can leave this post for future members on an equal or greater level of fortitude and endurance in which it was entrusted to us.

For this to happen though, we need to identify and develop our future leaders and map a succession plan to ensure smooth transitions from one leader to the next. Succession planning applies to each post officer position. No one can serve forever, and it's important that we don't

rely on the same individuals to lead the charge. We will be thoughtful in how we continue the momentum we've built in the past few years so that—God willing—there will be celebrations of 150 and 200 years. This is my goal for the next term. You may be among those we seek out. Take it as a compliment that we believe in your abilities, and we appreciate your interest in the post. If you're interested in becoming a post officer, don't wait until next elections. Let us hear from you now.

Finally, I would like to say to all the "candles" within this Legion, we are shining above the shadows. Our efforts are getting noticed in this community. The American Legion is moving forward, our post especially. So, with all the darkness out there, we need to make sure that our mission is not hindered by trivial grievances or political differences. Our focus is and should always remain on being the best possible individuals we can be through mutual helpfulness and in support of our mission to serve Veterans, Active Duty personnel, their families, and our community.

As always, I hope to see more people volunteering or just visiting YOUR Post. Thank you.

AUXILIARY REPORT

Greetings, Hope everyone is enjoying the summer heat (lol). Dues are due again, and as you should know they have increased to \$30. If you have any questions about this, please see myself or Leanne.

The 4th of July celebration went great. I want to thank all whom came out to help us sell hot dogs and corn on the cob.. We were only out there for 3.5 hours but it was still a great effort and appeared fun was had by all.

On August 3rd, we will be having a band at the Legion "Happy Accident". Please come out and listen to them, they are very good.

Right now, due to the lack of participation and a lot of people being on vacation, I do not foresee us participating in the Twilight Festival. We will, however, participate in the Fall Festival. We will discuss in our next meeting what we would like to do and what we would like to sell.

Please keep those that are not feeling well in your prayers.

SONS OF THE LEGION

Hello, all SAL Post 67 Members and followers! The past couple months have been busy, but an extremely productive time for our SAL team. We completed our annual SAL Golf Scramble Fundraiser on June 23rd. Despite the rain and rescheduling, again it was a major success. It was a picture perfect day.

I would like to send a HUGE thank you to the many volunteers who helped all day during our event, and whom without we couldn't have near the turnout we always do. Also, thanks to all the other many veterans and players who helped make that day so successful yet again. All of the money we raise goes back into the community and our Legion post, so it's the most important financial day of the year for us.
