## AUXILIARY REPORT

Hello Ladies,

Well the holidays are behind us and I hope everyone had a great holiday. Not much going on in the auxiliary for the next three months. At our last meeting we discussed working with the Legion and possibly the SAL on having a chili cook off. I have spoken to the Commander they are going to do it but yet have not given me a date I will inform everyone when I know something. As I said in the meeting we will be holding the district meeting for February I believe the date is February 18 it's on a Sunday I'm not sure yet what the commander wants us to do but I will get back with you all on that. March we will be nominating people for the upcoming year of officers. Please be thinking about who you would like to nominate for those positions. In April we will vote on them. As of right now due to my work schedule I have not been able to go to any entertainment meetings so I'm not aware of what's going on with any of the entertainment I will try to find out. We will try to discuss different things that we might be able to do in the upcoming months to raise money to help our veterans be thinking of some things or ideas that you may have that would help us raise money in our post. We still need people to cook on Friday night please sign up to help. If you have not paid your dues please get them in. Our participation for our last meeting was down I hope to see each and every one of you at our next meeting. Please keep friends love ones family and people in our post in your prayers for healing or for comfort should they be going through a hard time.

I would like to thank all Members and Guest for their support of our Club Room during 2017. Your support made a HUGE difference in allowing AL Post 67 to be able to provide for our Veterans and Community. As the New Year begins, hopefully we will continue to see ongoing support.

The Club Room hours are:

Monday - Thursday 16:00 - 22:00

Friday - Saturday 13:00 - Midnight

Sunday - 13:00 - 20:00

As a reminder lets not forget about our Queen of Hearts drawing on Thursday's at 20:00 and Friday's food starting back every Friday at 17:30 and Bingo starting at 19:00. We are always looking for and welcoming any volunteer(s) that want to prepare a meal on Friday's prior to Bingo, just add your name to the calendar available in the hallway going into the kitchen.

Let's try to increase the number of participants for Bingo (and any other activities) by having existing members bring a guest. **Just remember to sign your guest in the guest book available at the front of the Club Room.** I know the entertainment committee is meeting and working hard to schedule different types of activities.

As always I want to give a special thanks to all of our existing bartenders for their dedication and support.

All suggestions or improvements are always welcome to the Club Room, just let us know.

All upcoming events will be posted in the Newsletter and on our website, [www.americanlegionky67.com](http://www.americanlegionky67.com).

Again thanks to all who continues to support our Post.

Thanks,

Tommy Vanderpool, Club Room Manager

Happy New Year Legionnaires, Ladies and Sons of the American Legion:

As the first year of my time as Commander draws to a close, I wanted to take the opportunity to give my many thanks to all of the wonderful people who have supported me, our projects and AL Post 67. If it was not for this tireless group of individuals, we would not have had the successes on our new and annual endeavors. From the bottom of my heart, thank you.

With the new vote coming in April, I've had the opportunity to review not only the successes but also the learning opportunities we've experienced this past year. It is my hope we build on what was successful and take the “lessons learned” approach to improving activities for our membership. This perspective will make our Post more successful in the coming years.

With that said, we have some really great volunteer opportunities coming up this year along with some different and new activities as well and a few are posted in the upcoming events section of this newsletter. I hope you will come out and join in our events, volunteer when you can, and support the American Legion as we support our veterans and community. Again, thank you for the opportunity to serve.
